HEALTH & HYGIENE CERTIFICATE

Today on date 09 September 2022, I Dr. Prashant Vankar (Taluka Health Officer Tal: Kawant) AND RBSK Medical Team with PHC Kadipani Medical Officer Team as per guidelines received from "Chief District Health officer(Chhotaudepur)" physically visited to the Jawahar Navodaya Vidyalaya Chhotaudepur Campus. During this visit I checked School Academic Blocks, Academic block Toilets and washrooms, Drinking water area, Residential Areas (Staff Quarters, Girls Hostel, Boys Hostels, Mess Area, Kitchen) and whole school Campus.

During this visit of Jawahar Navodaya Vidyalaya, I found 36 Quarters, 139 Students, 15 Staff members and 12 other group D workers are very neat and clean following health and hygiene norms. My RBSK Medical Team with PHC Kadipani Medical Officer Team has also conducted general Health checkup of students and found that students are healthy, neat and clean. I hereby declare that the School Campus and Residential area are Maintain Good and following all the Health/Hygiene and Safety guidelines.

The information as under :

1. Number of toilets-50(Each quarter 1 toilet)
2. Number of classrooms- 6
3. Number of rooms to stay -34 quarter
4. Well ventilation at school building and residential area
5. Capacity of children in 1 class -40
6. Good water supply from GMDC.

So all around school campus is neat and clean and having healthy environment. Here I declare The Health and Hygiene of the school is very good.

Taluka Health Officer,
KAWANT Dist. Chhota-Udepur.
