HOUSE SYSTEM

The house system in Navodaya Vidyalaya is the key to understand its residential Culture. Every Jawahar Navodaya Vidyalaya Family i.e. Students and teachers are grouped into 4 houses. Each house has its distinct name, a particular color for its flag, Badge, T-shirt etc.

The 4 houses in every Navodaya Vidyalaya are: Arawali, Nilgiri, Shivalik & Udaygiri. The houses have been named after the Mountains because they are stable part of our hoary history & their impact on our lives throughout our history has been tremendous. The 4 mountains that lend their names to the house in each Navodaya Vidyalaya represent the 4 major reasons of our county.

The Arawali represent the WEST, the Nilgiri, the SOUTH, the Shivalik, the NORTH and the Udaygiri, the EAST.

Together they represent a strong stable and unified India being shaped on a Navodaya Vidyalaya campus.

Navodaya Vidyalaya have opted for education through residential culture based on houses system.

Therefore, house system plays key role in the scheme of education envired by Navodaya Vidyalaya.

The following are the major objective that we should strive to achieve through the house system.

To provide a smooth transition from home life to school life for all students.

To create and use social situation so that children's social and emotional needs are fulfilled.
